Materials for Each Poster

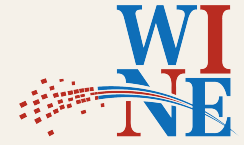

THE CONFERENCE ON WEB AND
INTERNET ECONOMICS

- For each poster, there are four materials:
 - Left-top: poster
 - Left-bottom: one whiteboard through which you can discuss
 - Right-top: four-page slides
 - Right-bottom: one-minute video
- When you get close to them, press 'X' to see the details.

Interaction Distance

THE CONFERENCE ON WEB AND
INTERNET ECONOMICS

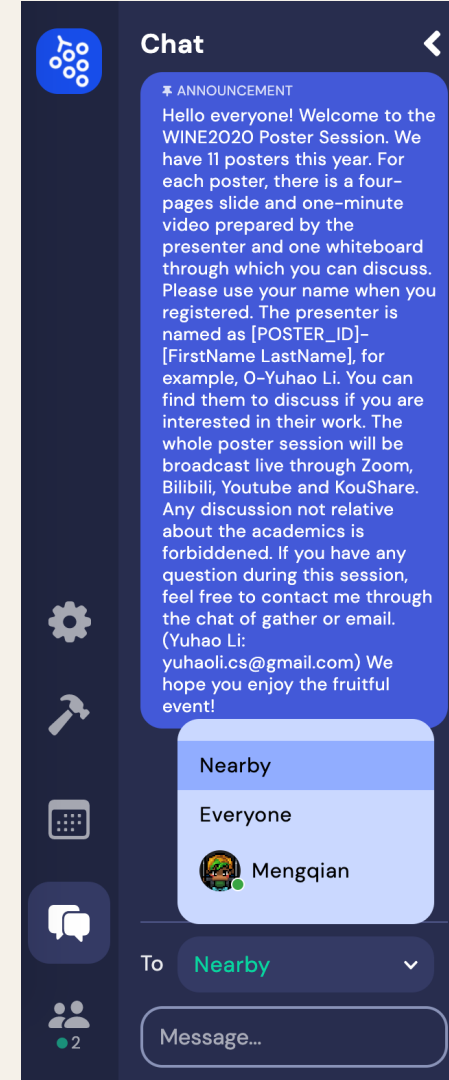

- When a group of avatars are in close proximity, a video sharing is started.
- The interaction distance is a six-tile radius.
- A user can see a maximum of 8 videos at once; additional connections will be audio-only.

Text Chat

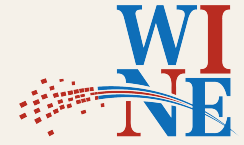

THE CONFERENCE ON WEB AND
INTERNET ECONOMICS

- When you enter the gather room, you will see the announcement.
- Then you can send some words to people nearby (default) or everyone.
- Again, for the local chat, the default interaction radius is a six-tile radius.
- If you have any questions during the poster session, feel free to contact Yuhao Li through chat or email (yuhaoli.cs@gmail.com).
